

Extraordinary purchase of SILK AND LISLE GLOVES AT HALF

An importer concluded not to worry more over which way the tariff on gloves might "jump." He decided to close out all stock and await until things were settled. We got a big share of his stock. Here they are—averaging on the whole, considerably less than half usual prices of today, and a great deal less than half prices of former years.

200 THAT WE COULD NOT SHOW BEFORE GO ON SALE TOMORROW

THE sale started Thursday, and was the occasion of the greatest enthusiastic buying that it has ever been our pleasure to witness! There were over a thousand dresses and tailored suits in the purchase, and it is only due to our having this quantity that you are given an opportunity to buy Saturday. The continued cold weather caused backward business with manufacturers. Reorders have not been made, and as a consequence this manufacturer couldn't "weather the storm," and failed. Spot cash was asked for the stock, and our low bid accepted because we contracted for every garment on hand. Such a variety of styles, fabrics and colors that it makes no difference what your need, it can be satisfied. The purchase includes Satin Dresses, Foulard Dresses, Messaline Dresses, Pongee Dresses, Fancy Taffeta Dresses, Embroidered Linen Dresses, Cloth of Gold Dresses, Fancy Worsteds, Fancy Serge Suits, Striped Panama Suits, Chiffon Panama Suits and Storm Serge Suits that have sold from \$20.00 up to \$35.00, and yet are offered at the one price—\$12.75 for choice.
